

# The Future-Ready Leader

**KASSIRUSHING**  
CONSULTING

Leadership is transforming—not changing, not evolving—truly transforming. To be a successful leader in the new world of post-pandemic work requires learning new skills and a willingness to meet the changing needs of both the employee and the marketplace. In this session, Kassi unites her passion for leadership development and workplace culture to create awareness and urgency for leaders and future leaders. Will you be willing to make the necessary changes today, to be the Future-Ready Leader of tomorrow?

## LEARNING OBJECTIVES

- Create shared context around leadership transformation and the future of work
- Understand the changing workforce and how it impacts leading people
- Shift from “soft skills” to “Power Skills”

## DELIVERY CUSTOMIZATION

- Best as a 60-90 minute keynote
- In-person or virtual delivery
- Workshop format available

## Key Topics

- The economy of heart
- Contextualizing technology's impact on future-required skills
- Changing workforce demands
- Specific skills leaders need
- Power Skills
- Self-care as a leadership competency
- New ways to increase value to the organization
- Reflection on what *is* staying the same
